**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition. Competition is the reason I can get 50 times the bandwidth as my parents at the same cost; I live in SF with the likes of Sonic and Webpass, and they live in Chicago, where they're lucky enough to at least have one option that isn't Comcast.

Take a stand, Pai. Show the American people you actually care about them the slightest bit. The world is watching.
